1.3 “Song of Self” Section 51

*The past and present wilt — I have fill’d them, emptied them,
And proceed to fill my next fold of the future.*

*Listener up there! what have you to confide to me?
Look in my face while I snuff the sidle of evening,
(Talk honestly, no one else hears you, and I stay only a minute longer.)*

***Do I contradict myself?
Very well then I contradict myself,
(I am large, I contain multitudes.)***

I concentrate toward them that are nigh, I wait on the door-slab.

Who has done his day’s work? who will soonest be through with his sup-

per?

Who wishes to walk with me?

Will you speak before I am gone? will you prove already too late?
